Pedagogies

Summary

DIGI ENE is one of the sub-initiatives launched in the context of the ETF Network of Excellence. The focus will be digital teaching and learning practices. The overall objective of the sub-initiative is to show how digital teaching and learning can efficiently increase students' learning, presenting tools and methodologies, and supporting participating Centres of Excellence in integrating them in their working environment.

Objectives:

The DIGI ENE kick off event will have 2 Objectives:

- To present the structure of DIGI ENE and its 2 components (Webinars, Development Projects)
- To shape the webinars programme through active discussion with DIGI ENE
