BUILDING GREEN

MOVING FORWARD IN PROVISION OF SKILLS FOR THE GREEN TRANSITION

15.02.2024

Inception and Evolution: National Centre for Development of Innovation and Entrepreneurial Learning

- Since 2009, fostering promotion, support and development of innovation and entrepreneurial learning, with the aim to decrease unemployment in the Republic of North Macedonia.
- Realised more than 50 national and international projects.
- Stimulating new culture to match the knowledge and innovation society.
- Experience in research, mapping, skills analysis, feasibility studies, support in development of regional/national strategies.
- Encouraging entrepreneurial learning at all levels of education.
- Encouraging green learning and development of green skills.

Greening: National Centre for Development of Innovation and Entrepreneurial Learning

- One of the founders of the first regional **Centre for Excellence in Green Innovation (CEGI)** in Skopje, North Macedonia, opened in December 2021 with support from the Erasmus+ project **GREENOVET**.
- Leader of a comprehensive strategic research, mapping and skills gap analysis in green innovation in four regions: Skopje, Styria, Vaasa, Leiria. Outputs available on greenovet.eu.

Greening: National Centre for Development of Innovation and Entrepreneurial Learning

- Creation of technical assistance package for capacity building of teachers/trainers in delivering green and entrepreneurial learning, pilot project in Ethiopia, supported by UNIDO.
- Capacity building of TVET and entrepreneurship support organisations in Western Ukraine with the aim to support green recovery.
- NCDIEL experts support National Power Plant company for upskilling and reskilling of workers (within a project funded by EBRD and implemented by PwC).
