RCVET provides formal education in various fields, including:

- Agriculture, fishery and veterinary,
- Chemistry and technology,
- Mechanical engineering,
- Personal services,
- Traffic, transport and storage,
- Health and social care.

State Secondary School  
Regional Vocational Education and Training Center  
“**Kiro Burnaz**” Kumanovo, North Macedonia

RCVET is organized in following departments:

- Formal education department,
- Networking and cooperation department,
- Business, marketing and ICT department,
- Adult education and VNIU department,
- Science, innovation and economy department.

RCVET departments practise mechanisms for ensuring educational and professional learning results contributing to the development of relevant policies in education, educational programs, entrepreneurship, the labor market and other related areas. RCVET also provide additional expertise, knowledge, information and services to other training providers.
