

# Brite Brains

**Make Brain Brite Again!**

# Problem

**Experts emigrate abroad**

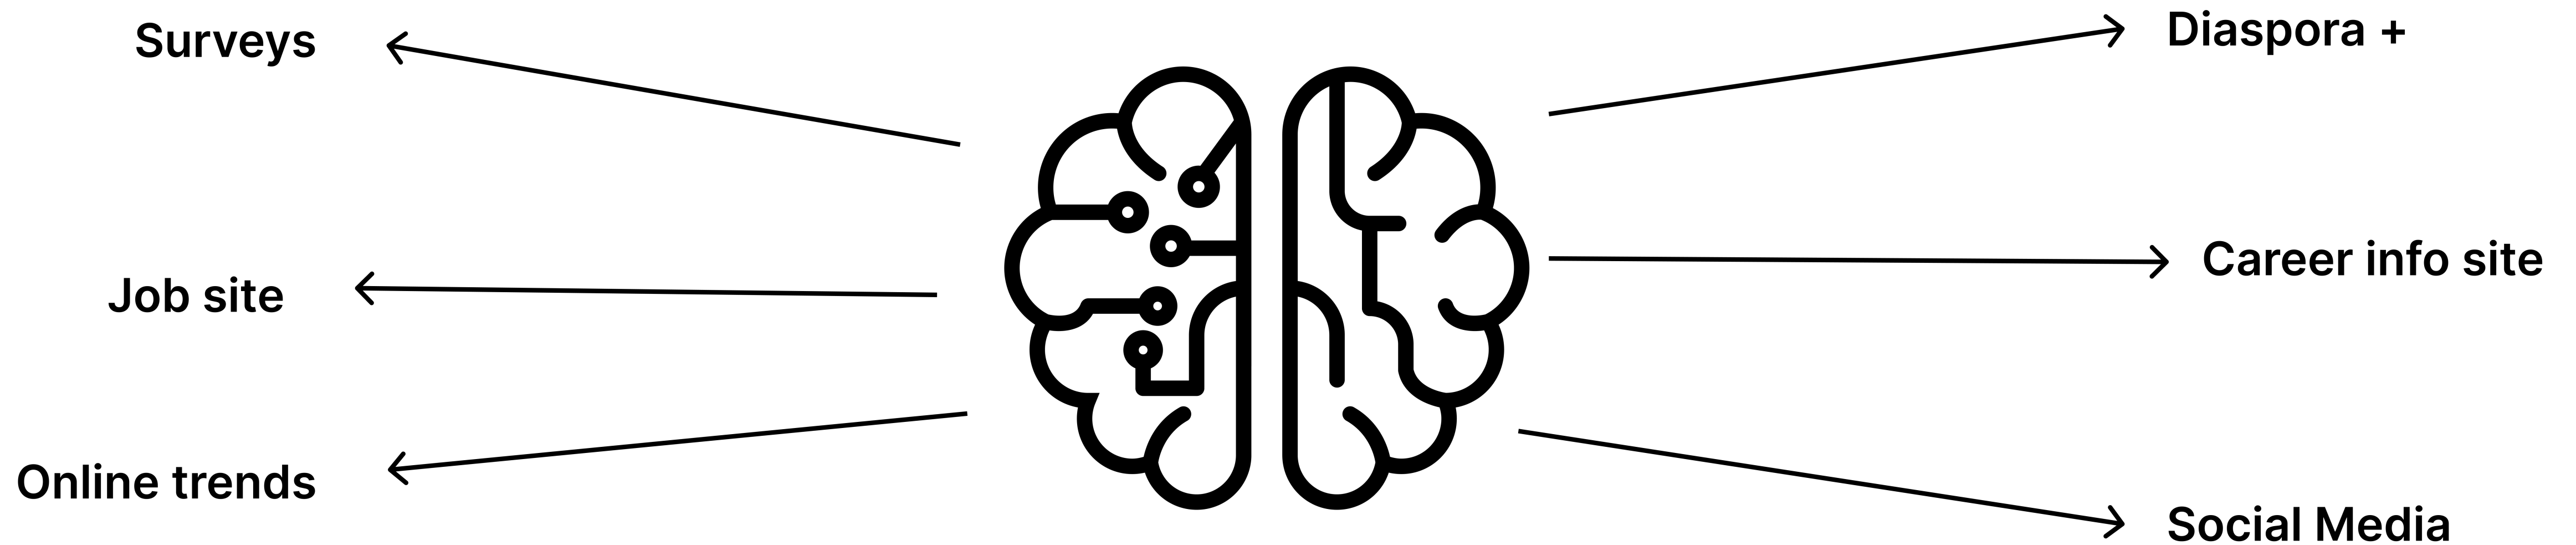

**Youth unable to find jobs**

**Policy makers can't  
make decisions**

**Underutilized labor force**

# Owning Data

**Understand new skills needs**

# High skilled workers sentiment

## Develop mechanisms

- Provide Data at international levels
- Working with government: Diaspora +
- Public and private relation

# Ecosystem

## Integration
