FARMBOT DOO

COMPANY NAME: FarMBOT DOO

COMPANY OWNERSHIP: privately owned LLC

COMPANY'S PRODUCTS/SERVICES:

multifunctional robotic platforms with autonomous movement capability

COMPANY'S COMPETITIVE ADVANTAGES AND INNOVATION:

multifunctional robotic platform with autonomous movement capability that can utilize already available cultivator attachments on the market via PTO shaft, patent-pending floating tool chassis system

COMPANY'S STAGE OF DEVELOPMENT:

product development and testing of production model with early adopters

COMPANY'S BUSINESS OFFER/BUSINESS REQUEST FOR THE NETWORKING EVENT:

We are looking for partners in agro/landscaping equipment manufacturing, software development and small electronics and electric motor manufacturing to exchange ideas and experience and form a potential long-lasting collaboration.

TYPE OF PARTNER SEARCHED AND COUNTRIES:

The type of partners we are looking for is open for discussion, and we are looking for companies from all over Europe, especially the Western Balkan region, to exchange experience and ideas since they may be facing similar problems that we face because of similar contexts in the countries of the area mentioned above.
