SKILLS LAB

SKILLS LAB ^S

to bring experts and researchers together from
different institutions, countries and
specialisations

and

co-create, exchange, disseminate labour
market research

to

foster the culture of skills anticipation and
matching

SKILLS MATTER

SKILLS ANTICIPATION MATTERS

OPEN to

all researchers, research institutes and expertise networks from ETF Partner Countries and the EU member states working on skills demand

WHAT LED US HERE

online survey to research institutes and networks in Europe and ETF partner countries (58 respondents, 70% out of them are already part of a network)

6–7 July 2021

June 2021

preparatory focus groups with research centres and individual researchers

SKILLS LAB FROM THE SURVEY AND JPS

Informal (bottom-up/loose) **structure** in bringing researchers together

Independent nature of the network: ETF to support and facilitate, members to be proactive

Bring people with different specialisations and keep **interdisciplinary** approach

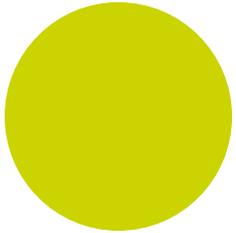

Increase the capacity and **interaction** of research community to work together

Link the results of research with **policymaking**

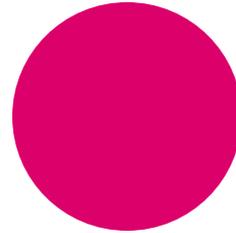

SKILLS LAB

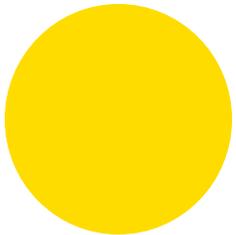

CREATE TOGETHER TODAY

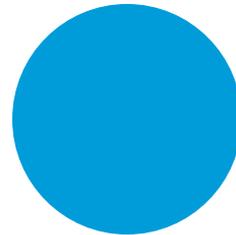

Build commitment and sense of community

Brain share around four thematic areas between past and future: success stories, what is envisaged next

Develop first ideas for network functioning

Celebrate the kick-off of our common endeavour!

THANK YOU!
