OUR WOW! IDEAS

01 KEY CONCEPT

TOPIC

Take a look at the key insights regarding your topic from day 2. Either take one or combine a few into a challenge or opportunity you would like to tackle. Think of a training/education/capacity development concept you think would be ideal to prepare people for such a future challenge/opportunity. Describe why you think it is important, how you will do it, what the concept is eventually.

WHY?

HOW?

Draw a step-by-step storyboard below to make tangible how your concept would ideally work from the perspective of its users.
