MOLDOVA ORGANIC VALUE CHAIN ALLIANCE – MOVCA

Contact: Natalia Papuc
www.movca.md
Facebook https://www.facebook.com/MOVCA.md

OWNERSHIP: Non-Governmental Organization (NGO)

PRODUCTS/SERVICES:
Umbrella Association for organic operators from Republic of Moldova (training activities, market linkages).

COMPETITIVE ADVANTAGES AND INNOVATION:
MOVCA is the first and leading organization in Moldova dedicated to fostering the growth and success of organic agriculture. Our mission is to empower Moldovan farmers and other stakeholders committed to organic development, covering the entire organic value chain. We believe organic agriculture is crucial for preserving Moldova's unique soil and growing conditions for future generations, while also supporting vibrant agricultural livelihoods in Moldova's rural communities.

STAGE OF DEVELOPMENT:
MOVCA has evolved from promoting organic farming to offering comprehensive support, collaborating internationally, enhancing market presence, and aiming to expand of organic agriculture within the Republic of Moldova.

BUSINESS OFFER/BUSINESS REQUEST FOR THE NETWORKING EVENT:
MOVCA acts as a central link between foreign investors/customers and local producers.

MOVCA is continuously working on the development of its e-learning platform about organic farming - https://studii.movca.md/ and online shop for organic products - https://biofood.md/.

TYPE OF PARTNER SEARCHED AND COUNTRIES:
We are seeking to establish partnerships with other associations, input producers, and investors.
