Contact: Natalia Papuc
www.movca.md
Facebook https://www.facebook.com/MOVCA.md
Youtube https://youtu.be/2wyGpgIIfsk

OWNERSHIP: State Ukraine

PRODUCTS/SERVICES:
Educational, scientific and research, scientific and innovative, educational and industrial, information and consulting activities.

COMPETITIVE ADVANTAGES AND INNOVATION:
The advantages of the university are the implementation of the concept of thorough training of specialists for various branches of the economy, which has a strong practical orientation, generation of new knowledge, development of new technologies and their implementation to increase the efficiency of production activities.

STAGE OF DEVELOPMENT:
The university is developing rapidly, quickly responding to modern demands of the labour market. Evidence of this is the opening of new educational programs, which become the basis of training modern specialists (robotization and informatization of production, development of artificial intelligence technologies, etc.).

BUSINESS OFFER/BUSINESS REQUEST FOR THE NETWORKING EVENT:
Networking, searching for partners regarding implementation of scientific projects, exchange of experience in the implementation of educational activities in the field of engineering, monitoring of requests from leading companies regarding the training of specialists in the field of agricultural production, clean energy, artificial intelligence, etc.

TYPE OF PARTNER SEARCHED AND COUNTRIES:
NULES is searching for strong, long-term, and mutually beneficial collaboration with education, scientific, and production entities.
