

# Welcome

- Each Person is One of a Kind
- The Family Experience
- Beauty: A Wish Within Us All

# Education

## Learning Through Experience

- True learning begins with real-world engagement.
- **Hands-on activities are the key to knowledge.**

## Beyond Traditional Lectures

- A student isn't just a vessel to be filled
- They're the main character who explores and **makes knowledge their own through action.**

## The Power of Lived Experience

- Every hands-on activity builds **lasting skills.**
- **Mistakes are** essential for cognitive growth.

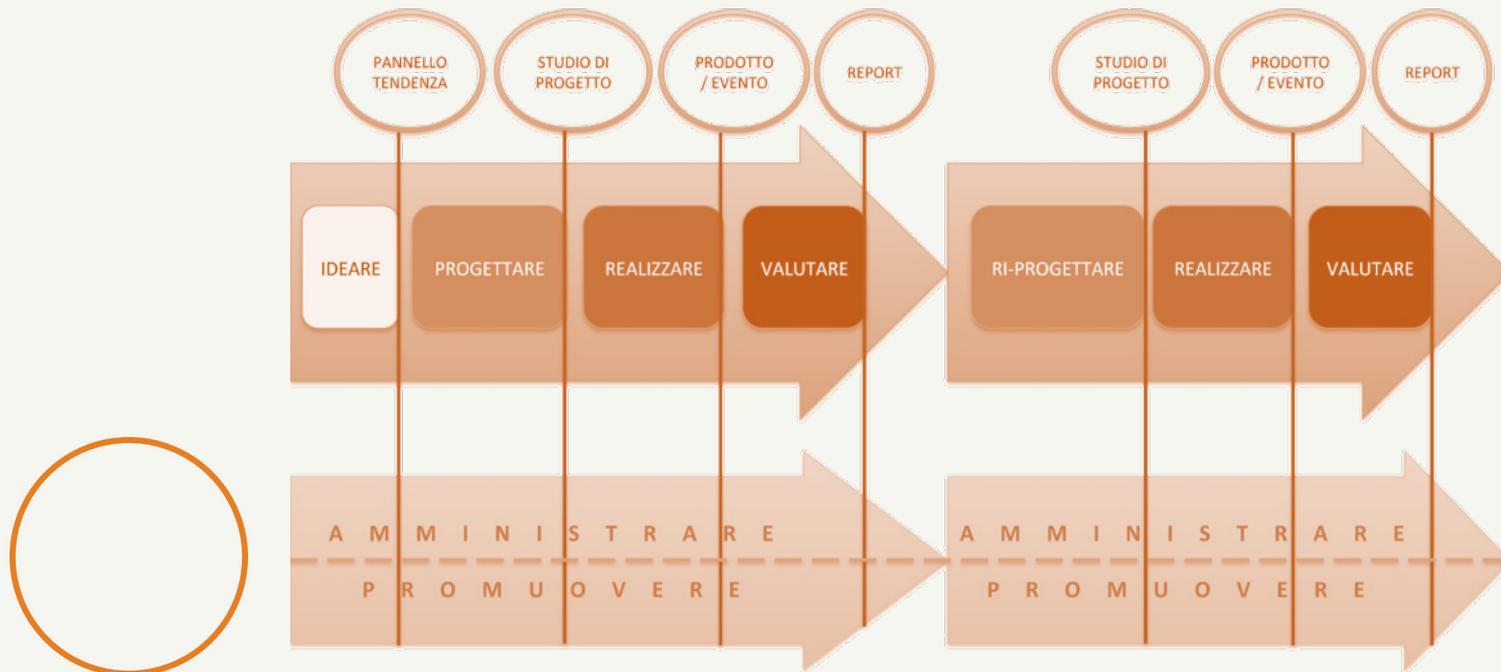

## Beyond Social Isolation

# School Enterprise & Reality-Based Learning

- Learning grounded in real-world challenges.
- Three essential elements: **Reality, Relationships, Responsibility.**

# School of Business & Design

## Artisanal Intelligence

- Artificial Intelligence as a tool to enhance the **integrated curriculum**
- Spotlight on **STEM**, mental health, and breaking down stigma

manual work.

# Personalization

## Guidance & Flexibility

- Every student is supported by a dedicated tutor. **The learning journey is dynamic, offering tailored programs for both catching up and advancing, designed to nurture individual strengths and address areas for growth.**

## Inclusion & Co-Teaching

- Careful attention to **BES and disabilities (H)**.
- Co-teachers are always present in the classroom

## Holistic Education

Beyond the standard curriculum:

- Afternoon volunteer activities
- plus seminars in **philosophy, art, and culture.**

# Trainer Development

## Campus and Growth Spaces

**Dedicated Campus**, we foster spaces for reflection and ongoing professional development.

## Innovative Training Practices

- Peer Observation
- Start of class – End of class ticket
- Everything here is for me

## 4+2 Education Pathway

A real solution to the NEET phenomenon through the IFP + ITS system. **IFP + ITS**. An integrated program that ensures seamless education and guaranteed career opportunities.

## Multi-Professional Work Academy

Our “Dream School” restores value to vocational training, connecting it directly to the top levels of Europe’s academic and business worlds.

## International Opportunities

Strategic partnerships that let you earn your **Bachelor’s Degree** abroad, opening the door to global careers.

SWITZERLAND (CH)

SPAIN (SP)

NETHERLANDS (NL)

# NEET & Dream School

# Work

## Inclusion and Vulnerability

Work as a path to fulfillment for people with **disabilities and vulnerabilities**.

## Beyond Production

We teach that work isn't just about production—it's also a **space for social connection** that's essential for inclusion and personal dignity.
