

TEMPLATE FOR THE GOOD PRACTICE

Element	Description
Title*	<i>A new profession is new opportunities: the practice of professional retraining of adults at Pereiaslav Professional College</i>
Name of the VET Provider	<i>Vocational Education and Training Institution "Pereiaslav Professional College"</i>
Thematic domain	What is the thematic domain covered by this good practice? More than one domain can be indicated • Lifelong learning
Introduction*	<i>Pereiaslav Professional College is participating in two adult retraining projects:</i> <i>1. "Resilience: Building a Sustainable and Inclusive Labour Market in Ukraine". The project is implemented in accordance with an agreement between the Swedish International Development Cooperation Agency (Sida) and Helvetas Swiss Intercooperation, supported by the Government of Sweden.</i> <i>2. "Skills for Inclusivity: Practical Training and Work-Based Learning to Activate Ukraine's Workforce". The project is implemented by the NGO "Ukrainian Professional Development" with financial support from the European Union, Germany, Poland, Estonia, and Denmark as part of the Skills4Recovery multi-donor initiative, implemented by GIZ and Solidarity Fund PL (SFPL).</i>
Stakeholders and Partners	<i>Swedish International Development Cooperation Agency (Sida) and Helvetas Swiss Intercooperation, supported by the Government of Sweden, regional agricultural firms, and private agricultural enterprises.</i>
Impact*	<i>The impact of this good practice was positive</i> <i>The manpower requirements of the region's agricultural enterprises were met.</i>
Innovation and Success Factors *	<i>Adult reskilling promotes innovation in the labor market and the local economy by enabling people to quickly master new professions and modern technologies. The main areas of impact are:</i> <i>Updating professional competencies: Upgrading skills to meet current professional standards.</i> <i>Rapid response to employer needs: Quickly adapting training programs to address emerging workforce demands.</i> <i>Development of dual education and business partnerships: Strengthening collaboration between educational institutions and local enterprises.</i>

	<i>Boosting community competitiveness: Enhancing the economic attractiveness and resilience of the local area.</i> <i>Social innovation: Fostering new social solutions and inclusive opportunities for the community.</i>
Constraints*	<i>There were no difficulties in the implementation of these projects.</i>
Lessons learned *	<i>The workplace training was highly beneficial.</i>
Replicability and/or up-scaling	<i>Attracting grant funding, state subventions, or private investment to scale into new territories.</i>
